Hello, dear friends:

24 years ago on the way to the August Marys River Quilt Guild meeting, Janni & I saw a FOR RENT sign hanging over the old Waucomah movie theatre building. I hollered "STOP!" We got out of Janni's car and crossed the street to peek inside. The next morning, we were renters of a real brick & mortar shop space. We spent September and the first two weeks of October emptying, scrubbing, painting and "filling" what is now our Lobby. We opened our doors on October 16 with 12 bolts of fabric, some patterns, books and notions!

We couldn't be celebrating 24 years without you! Please join us for refreshments, door prize opportunities and 24% off almost all* purchases this coming Friday, Saturday and next Tuesday.

consignment, special orders,
class admission & mystery
scrap bags excluded ...)
